

APPLICANT ARGUMENTS OR REMARKS

Claims 16 - 18 are now in the application. Claims 16 and 17 are independent claims.

The previous Amendment was Non-Compliant because each claim had not been provided with the proper status identifier.

In particular claim 18 was not provided with the proper status identifier.

Claim 18 has been provided with the proper status identifier, and the applicant therefore submits that the amendment is now compliant.

Summary

Therefore, in view of the foregoing amendments and remarks, applicant respectfully requests entry of the amendments, favorable reconsideration of the application, and that claims 16 - 18 be allowed at an early date and the patent allowed to issue.

Respectfully submitted,

Paul Kydd
